Current Children's Religious Exploration Program: 2017-2018

Our program runs from September 10 to June 24

October's Theme: Covenant

This year our Children' Program will be based on the same monthly theme. Generally Sundays will follow the schedule below. Please note: unless otherwise indicated, children spend the first ~15 minutes of Sundays in the sanctuary with the adults before going to their activities.

First Sunday: Children will join together to enjoy their potluck breakfast while we have an introduction and discussion on the months theme.

Second Sunday: Children will partake in a variety of special activities (e.g., outdoor activities, gardening, field trips, social justice projects). Note: **Fifth Sundays** will also take this format.

Third Sunday: Children aged 7 and up will participate in an all-ages service in the sanctuary. Children will have opportunities to take a hands on role in the service over the course of the year. Children 6 and under may attend the service, or, have childcare provided in the First Friends room.

Fourth Sunday: Children will have activities and lessons in their age-based classes as described below.
